Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Response to Amendment

Applicants proposed amendment will not be entered as it would require new consideration. The limitation on the nature of the amine mixture excluding other components from the mixture has not been previously presented. Therefore, it would require new consideration.

Response to Arguments

The arguments are directed towards the proposed amended claims and thus will not be considered at this time.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Liam J. Heincer whose telephone number is 571-270-3297. The examiner can normally be reached on Monday thru Friday 7:30 to 5:00 EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mark Eashoo can be reached on 571-272-1197. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
